- The prize awarded is the sum of the three ball numbers, multiplied by the total wager
- B-I-G Bonus may be triggered during free spins, but its prize is not subject to mystery multipliers

Blackout Bonus

- Blackout Bonus is triggered when "BINGO" is spelled scattered across the reels
- The player plays one standard North American 5x5 bingo card of their choice
- 55 bingo balls (numbered from 1 to 75) are drawn
- After the numbers are called, a prize is awarded based on how many numbers the player matched
