

Overview

Double Suit Stud is an exciting stud poker variant using only two suits, Hearts and Spades. Players are dealt a 5-card hand, and paid according to the paytable if it is a winning hand. The speed of play and the frequency of winning keeps players engaged and wanting more. Multiple paytables are available returning from 90% to 99.4%.

Rules

1. Double Suit Stud uses a 26-card deck consisting of the 13 standard ranks in Hearts and Spades.
2. The player may bet 1, 2, 3, 4, or 5 coins.
3. After placing a bet, five random cards are dealt from the 26-card deck.
4. The five-card hand is evaluated, and if it forms a winning combination, it is paid according to the paytable.
5. Only the highest win is awarded.
